

## No Peace In Quiet

Delta Rae

My friends are always over so I'm not alone  
And the TV's on the second that they leave  
Ghosts don't stand a chance against the radio  
That's why I turn the music up to sleep

Cause there's no peace in quiet  
Just footsteps on the stairs  
Whispers in the silence  
Remind me you're not there  
There's no peace in quiet

Tonight, I'll lay down knowing you're not coming home  
Then I'll swear I hear your keys outside my door  
And I'll hate myself for checking as if I don't know  
That it's just the wind chimes on the neighbor's porch

Cause there's no peace in quiet  
Just footsteps on the stairs  
Whispers in the silence  
Remind me you're not there  
There's no peace in quiet

I hear you standing in the shower  
Hear you breathing in my bed  
But there's nothing I hear louder  
Than the words I never said

Cause there's no peace in quiet  
Just footsteps on the stairs  
Whispers in the silence  
Remind me you're not there  
There's no peace in quiet  
There's no peace
