

2020 - turned to shit

Deluxe

Pa-da-da, pa, pa
Pa-da-da, pa, pa
Pa, pa
Pa, pa

I need to get paid to satisfy loans
That's what you said and the pilot dropped the drone (woo-hoo)
To making it last (woo-hoo-ooh), we were so close
It started out class, it finished real low
My head was up my ass, but my body good to go (woo-hoo)
You just got to do you (woo-hoo-ooh), well whatever, be free

You made a baby and now I sound nasty
When I'm calling out your shit, I'm calling out your shit:
You were a dreamer, now you're a streamer
2020 turned to shit

We stuck in a bad trip
We stuck in a bad trip
We stuck in a bad trip
2020 turned to shit
We stuck in a bad trip
We stuck in a bad trip
We stuck in a bad trip
(2020 turned to shit)

You're basically tired of being
The only one here in control
Playing boss takes a toll (pa-da-pa-pa-da)
Honestly life couldn't be
Sweeter than we're in a row
Ducking ambushing foes (pa-da-pa-pa-da)

Well you made a baby and now I sound nasty
When I'm calling out your shit, I'm calling out your shit:
You were a dreamer, now you're a stranger
2020 turned to shit

We stuck in a bad trip
We stuck in a bad trip
We stuck in a bad trip
2020 turned to shit
We stuck in a bad trip
We stuck in a bad trip
We stuck in a bad trip
2020 turned to shit
2020 turned to shit

Well you made a baby and now I sound nasty
When I'm calling out your shit, I'm calling out your shit:
You were a dreamer, now we're in danger
2020 turned to shit

We stuck in a bad trip
We stuck in a bad trip
We stuck in a bad trip
2020 turned to shit

We stuck in a bad trip
We stuck in a bad trip
We stuck in a bad trip
2020 turned to shit
