

End Of The Line

Demis Roussos

Why should I be running?
For me it's the end of the line
And dogs maybe chasing
Won't catch up with me if I die

And nobody will know where I'm heading
And putting up of paradise
Being keep on hunting
For me it's end of the line

Why should I be running?
For me it's the end of the line
And dogs may be chasing
Won't catch up with me if I die

I won't keep on jumping
That the end of the line
I won't keep on leaving
The win in truth of time

Where, where, where, where, where, where, where, where is my faith?
Funny, funny, funny, funny, funny, funny, funny, funny is my say
Y
Funny, funny, funny, funny, funny, funny, funny is my say

Why should I be running?
For me it's the end of the line
And dogs maybe chasing
Won't catch up with me if I die

And nobody will know where I'm heading
And putting up of paradise
Being keep on hunting
For me it's end of the line...
