

# End Of The World

Demis Roussos

You should come with me to the end of the world  
Without telling your parents and your friends

You know that you only need  
To say the word so end my play with thy  
End of the world  
What I know  
That I'll go away by myself  
I feel you don't want to come

You should come with me to the end of the world  
We could lay all day on the quiet sands

I would introduce you to my friend the bird  
Who sings and flies along the fairy  
But I know  
That I'll go away by myself  
I feel you don't want to come  
He, ha

If you come with me to the end of the world  
I'll give you anything that lives on earth

You know that you only need  
To say the word so end my play with thy  
End of the world  
What I know  
That I'll go away by myself  
I feel you don't want to come  
He, ha
