

# Say You Love Me

Demis Roussos

Oh oh  
Of all the things you're telling me  
I never heard you say  
I never heard you say

Oh oh  
The tender words I'm living for  
That you may say today  
That you may say today

Say you love me, you love me  
And that no one will take you from me  
And stay here forever beside me  
Oh say you love me  
You love me, you love me

Three lonely years I've waited  
And loved you secretly  
And loved you secretly

Oh oh oh oh  
Three lonely years I've waited  
And hoped impatiently  
And hoped impatiently

Say you love me, you love me  
And that no one will take you from me  
Say you love me, you love me

Oh oh oh oh  
If you could lie beside me  
And whisper tenderly  
And whisper tenderly

Oh oh, the echo of the mountains  
Will sing eternally  
Will sing eternally

Say you love me, you love me, you love me  
And that no one will take you from me  
And stay here forever beside me  
Oh say you love me

You love me, you love me, you love me  
Oh oh  
Of all the things you're telling me  
I never heard you say  
I never heard you say

Oh oh  
The tender words I'm living for  
That you may say today
