

# When A Man Loves A Woman

Demis Roussos

When a man loves a woman  
Can't keep his mind on nothin' else  
He'd change the world  
for the good thing he's found  
If she's bad he can't see it,  
she can do no wrong  
Turn his back on his best friend  
if he put her down When a man loves a woman  
Give her everything that he has  
Trying to hold on to her precious love  
Baby, please don't leave me now When a man loves a woman  
in her soul  
She can bring him such misery  
When a man loves a woman  
Give her everything that he has  
Trying to hold on to precious love  
Baby, please don't leave me now When a man loves a woman

.....

She can bring him such misery  
(She can bring him such misery  
She can bring him such love) .....
