

# Cassandra

Dennis Brown

Oh, yes yes

I can't believe that's it's real  
The way that she makes me feel  
It's something deep down inside  
Though it's a feeling I cannot tie

She's never been unfaithful to me  
So we will always be  
She's never been unfaithful to me  
As far as I can see

She gave me love in the morning and in the evening too  
She gave me love in the morning and in the evening too  
She gave me love in when I'm lonely so I've never felt blue  
She gave me love in when I'm lonely so I've never felt blue

So ride on, Cassandra, ride on, yes, ride on, ride on  
Ride on, Cassandra, ride on, ride on, ride on

Yes, oh, yes

I can't believe that's it's real  
The way that she makes me feel, yeah  
It's something deep down inside  
Though it's a feeling I cannot tie

She's never been unfaithful to me  
So we will always be  
She's never been unfaithful to me  
As far as I can see

She gave me love in the morning and in the evening too  
She gave me love in the morning and in the evening too, yes  
She gave me love in when I'm lonely so I've never felt blue  
She gave me love in when I'm, ooh yes

She gave me love in when I'm lonely and in the evening too  
She gave me love in the morning and in the evening too  
She gave me love in when I'm lonely so I've never felt blue  
She gave me love in the morning and in the evening too

So ride on, Cassandra, ride on
