

# If I Follow My Heart

Dennis Brown

If I follow my heart, I'm gonna love you.  
And if I follow my dreams, I'm gonna leave you.  
But if I follow my eyes when it's crying time, I'll be crying t  
oo.  
But if I follow what mom says, girl, we'll be true.  
We will be true, we will be true...

If I follow my heart, I'm gonna love you.  
And if I follow my dreams, my dreams, I'm gonna leave you.  
But if I follow my eyes when it's crying time, I'll be crying t  
oo.  
But if I follow what mom says, girl, we'll be true.  
We will be true, we will be true...

If I follow my heart, I'm gonna love you.  
And if I follow my dreams, I'm gonna leave you.  
But if I follow my eyes when it's crying time, I'll be crying t  
oo, oh yeah.  
But if I follow what mom says, girl, we'll be true.  
We will be true, we will be true...
