

# Love Has Found Its Way

Dennis Brown

Love has found its way  
In our hearts today  
Love has found its way  
In our hearts today  
When your love is beautiful  
There's nothing, nothing that can go wrong  
When two hearts beat together  
It's like an everlasting song  
It's like an everlasting song  
The moon shines bright over yonder  
And it makes me feel so fine  
I'm so thankful, so thankful, baby  
That Jah has made you mine  
I'm so thankful that Jah has made you mine  
'Cause love has found its way  
In our hearts today  
Love has found its way  
In our hearts today  
In our hearts today  
Oh baby, please let me stay with you  
This love is so hard to resist  
Let me feel your loving kindness  
And all your tenderness  
Oh lady, you make me so very happy  
Even a blind man could see  
That love can be so beautiful  
Love that's meant to be  
Love that's meant to be  
'Cause love has found its way  
In our hearts today  
Love has found its way  
In our hearts today  
In our hearts today  
Oh lady, oh lady  
You bring me up, you bring me up  
I'm never, I'm never gonna let you  
Slip through my fingers  
No way, no, no, no, no, no, no  
Oh lady, let me stay  
Let me stay in your heart  
Love is so hard to resist  
And most, and most of all, love, love is real
