

Tribulation

Dennis Brown

I'm only passing on trough, yeah

Rough as the road might seem to be
I'll be toiling on home
I'll be myself and no one else
I'll keep trodding on

A man must go through tribulation
No matter who or where he's from
If he's a man of understanding
He'll then know that time alone will tell
But fools knoweth not understanding
That's why they stumble
Never going to their way, oh yeah
Cause wisdom is too hard for them

A man must go through tribulation
No matter who or where he's from
If he's a man of understanding
He'll then know that time alone will tell
But fools knoweth not understanding
That's why they stumble
Never going to their way, oh yeah
Cause wisdom is too hard for them

I'm only passing through,
I'm only passing through, yeah
Oh, a man must go through tribulation
No matter who or where he's from
Tribulation, tribulation, tribulation
Tribulation, yeah
People must go through
Tribulation...
A man must go through, yeah
A man must go through, yeah
A man must go through...
