```
Dmi
We are here
We can love
We share something
   Dmi
I'm sure that you mean the world to me
Your name was the one that was always chosen
Your words and your kindness have set me free
Shame has a hold that has kept us frozen
You opened my eyes to a world that I could believe
                        Gmi
And words can leave you broken inside
You'll have to decide
          Gmi
I'm hanging on to my pride
       Dmi
We are here
       F
We can love
We share something
  Dmi F
I'm sure that you mean the world to me
        Dmi
When you get what you need
There's no way of knowing
What you'll have is another hole to feed
The games that we're playing, they've left us hoping
The gift that we have, the life that we breathe
This world can leave you broken inside
With nowhere to hide
          Gmi
I'm hanging on to my pride
       Ami
We are here
We've been chosen
We've been blessed with a place
```

We need to find and then open $% \left\{ 1,2,...,n\right\}$

Dmi

We are here

F

We can love

Α

We share something

Dmi F

 $\ensuremath{\text{I'm}}$ sure that you mean the world to me

Dmi F

When you get what you need
