

# It's No Good

Depeche Mode

**Cmi Es**

I'm going to take my time

**Fmi**

**As**

I have all the time in the world  
to make you mine

It is written in the stars above  
the gods decree

you'll be right here by my side  
right next to me

you can run, but you cannot hide

**Cmi**

R: Don't say you want me

**Es**

don't say you need me

**Fmi**

don't say you love me

**As**

it's understood

don't say you're happy

out there without me

I know you can't be

'cause it's no good

I'll be fine

I'll be waiting patiently

till you see the signs

and come running to my open arms

when will you realise

do we have to wait till our worlds collide

open up your eyes

you can't turn back the tide

R: Don't say you want me...

I'm going to take my time

I have all the time in the world

to make you mine

It is written in the stars above.

R: Don't say you want me...
