Lunacy Cheating

You wan'da step into my world It's a sociopsychotic state of bliss You've been delayed in the real world How many times have you hit and missed? You cat-scan shows disfiguration I wanna laugh myself to death with a misfired synapse with a bent configuration I'll hold the line while you gasp for breath I met sadness" As yellow leaves the snow" For very long And long time ago A habit And addiction Killing me Making me nobody... (I am nobody's) CATATONIA We lie Flatter not to languish And we find the anguish Not to steal the hope Or even tranquil mind (We refer to beauty and arguments remorsefully looking for peace) O. D. P.!!
