

Greatness 2.0

Derek Minor

You were made for greatness
You were made for greatness baby
You were made for greatness
And don't you let them tell you nothing else

Reporting to you live from the gutter
Where the news say we only wanna kill each other
I done heard all the cries from our mothers
They still praying for the lives of our brothers yea
Some feel we worthless, I think that's a lie
Misunderstood like rocket science but that's the reason we fly
The world is broken I know it, I believe God the mechanic
We are tools to change it all, he even uses the ratchet
Some of my dogs climbing mountains of burdens
So they get high trying to reach the pinnacle of purpose
I know geniuses that died in the streets
They was deaf to they purpose, they was moving them keys, they Beethoven
Praying for wealth to deliver us
But Even if your chains are gold, you still a prisoner
Stuck in the darkness and still waiting on the risen Son
A bunch of kings and we don't know that it's a throne for us

You were made for greatness
You were made for greatness baby
You were made for greatness
And don't you let them tell you nothing else

I know how it is to take a loss, they ain't see your passion
And every year they write you off, I can tell you that's taxing
Kill your dreams and it haunt you, makes it very hard to sleep
But the benefit of that is I'm awake now
Can't tell you how Many times I thought to call it quits
I'm only hear cause God been on my side through all of this
I'm only hear cause RMG and all my dogs in this
My friends and family hold me up, won't let me fall in this
Please believe
From the inception of my purpose, it's been bigger than me
Christopher Nolan can't direct our dreams
Don't understand why anybody would wanna stop us
We trying to bring flavor to the table like a potluck
I'm rambling, before you get to hating
Before my verse end, I'll go ahead and sum it up like calculators
You are here for more, there's a purpose on the trail that your blazing
I know it's amazing
Reflect God, Reflect Greatness

You were made for greatness
You were made for greatness baby
You were made for greatness
And don't you let them tell you nothing else
