

# Power Over Me

Dermot Kennedy

I wanna be king in your story  
I wanna know who you are  
I want your heart to beat for me  
Oh I

Want you to sing to me softly  
You can stand, I'm outrunning the dark  
That's all that love ever taught me  
Oh I

Call and I'll rush out  
All out of breath now

You got that power over me, my my  
Everything I hold dear resides in those eyes  
You got that power over me, my my  
The only one I know, the only one on my mind

You got that power over me (my my)  
You got that power over me (my my)  
You got that power over me

Remember the lake in the moonlight?  
Remember you shivered and shone  
I'll never forget what you looked like  
On that night

I know that time's gonna take me  
I know that day's gonna come  
I just want the devil to hate me  
Oh I

Call and I'll rush out  
All out of breath now

You got that power over me, my my  
Everything I hold dear resides in those eyes  
You got that power over me, my my  
The only one I know, the only one on my mind

You got that power over me (my love)  
You got that power over me (my love)  
You got that power over me

It was all in doubt  
They were all around

So we hide away and never tell  
You decide that darkness knows you well  
That lesson of love, all that it was  
I need you to see

You got that power over me, my my  
Everything I hold dear resides in those eyes  
You got that power over me, my my  
The only one I know, the only one on my mind  
You got that power over me, woo!

I know that you let her down, no  
Let her down low

You got that power over me, my my  
Everything I hold dear resides in those eyes  
You got that power over me, my my  
The only one I know, the only one on my mind  
You got that power over me

Mmm-mmm  
Mmm-mmm
