Work like a pawn and you have no pay to get All day long Work like a fool and they're takin' on what's good All day long

Boys are girls are in the streets Seeking work, yeah, in the heat No shoes on their feet No food for them to eat

Starvation, yeah, on the land Starvation, yeah, on the land

No one can sight what the crime, no man can bear the pay All day long And have nowhere to stay in this town, no handshake All day long

Boys are girls are in the streets Seeking work, yeah, in the heat No shoes on their feet No food for them to eat
