

Unity

Desmond Dekker

This is the time that we all should live as one, brothers
This is the time that we all should live as one, sisters
So come along brothers
And come along sisters
U.N.I.T.Y.
This unity
So come along brothers and sisters
Whoah-ohhh!

Aaaaah! Aaaaah!
We must live as one
'Couse two wrongs can never make a right
Look into the age that we're living in today, brothers
Look into the age that we're living in today, sisters
So come along brothers
And come along sisters
U.N.I.T.Y.
This unity
So come along brothers and sisters
Whoah-ohhh!

Aaaaaa! Aaaaaaa!
Aaaaaaaaaa-aaaaa-aaah!
Look into the age that we're living in today, brothers
Look into the age that we're living in today, sisters
So come along brothers
And come along sisters
U.N.I.T.Y.
This unity
U.N.I.T.Y.
This unity
U.N.I.T.Y.
