

# If You Leave

Destiny's Child

If you leave her, I'll leave him  
We'll pack our bags, don't say a word  
Let's go far away, to another place  
Let's hide away, oh just you and me

I peeped him long time ago when he told me  
(He's never seen the chick before)  
He wouldn't give me no explanation  
Cause he knows when I pack my bags it ain't for no vacation, so

I'm gonna do my thang,  
I'm leavin' his ass alone (Oh I'm gone, Oh I'm movin' on my way)  
He's history (he's history),  
Too late The game is over  
He'll see a girl's  
Gotta do what she's gotta do

If you leave her, I'll leave him  
We'll pack our bags, don't say a word  
Let's go far away, to another place  
Let's hide away, oh just you and me  
(2x)

I called 612-555-2422 to find you  
I packed my bags, gassed up the Jag  
And I told my dad  
you're the finest girl I never had

And so my lady, what's the message, page me  
I know it might sound crazy, but say you'll be my baby  
She crushed my new Benz,  
slept with my best friend  
Spent all my ends, it's got to end

Ooh, how do I know you won't hurt me like he has? (I know I'm afraid he'll want me back)  
You've gotta have faith in me (you know I do) I'd never play ya babe Cause my love is all right (Cause my love is all you'll ever need)  
Cause I need someone for me  
This love was meant to be  
It's our destiny  
Just run away with me, oh ho

If you leave him, I'll leave her  
Let's pack our bags, don't say a word  
Let's go far away, to another place  
Let's hide away,  
Oh just you and me

If you leave her, I'll leave him  
We'll pack our bags, don't say a word  
Let's go far away, to another place  
Let's hide away, oh just you and me

If you leave him, I'll leave her  
Let's pack our bags, don't say a word  
Let's go far away, to another place

Let's hide away,  
Oh just you and me

If you leave her, I'll leave him  
We'll pack our bags, don't say a word  
Let's go far away, to another place  
Let's hide away, oh just you and me

If you leave him, I'll leave her  
Let's pack our bags, don't say a word  
Let's go far away, to another place  
Let's hide away,  
Oh just you and me

If you leave her, I'll leave him  
We'll pack our bags, don't say a word  
Let's go far away, to another place  
Let's hide away, oh just you and me

If you leave him, I'll leave her  
Let's pack our bags, don't say a word  
Let's go far away, to another place  
Let's hide away,  
Oh just you and me

If you leave her, I'll leave him  
We'll pack our bags, don't say a word  
Let's go far away, to another place  
Let's hide away, oh just you and me
