

# Killing Time

Destiny's Child

Hooo, Hooo,  
Sitting on the stairway  
Hoping that your ok  
Waiting patiently for you to comeback to me  
What should I do  
I dont mind the waiting  
As long as there's still maybe  
A possilbilty, for you to be true to me  
I'll be sitting, on the stairway, til a quater till two  
With nothing to do baby hey yeah  
But twiddle my thumbs and wait

Killing time, waiting on you  
What should I do?  
I'll be seating here wating  
Killing time, waiting on you  
What should I do?  
I'll be seating here wating

Look inside your mirror  
I hope that you see clearer  
Look behind yourself  
And you will find me  
I've got your back baby  
The love I have Im saving  
I'll be there for you  
Just like I said I'll be  
I'll be sitting, on the stairway, til a quater till three  
With nothing to do ba-by  
But twiddle my thumbs and wait

Killing time, waiting on you  
What should I do?  
I'll be seating here wating  
Killing time, waiting on you  
What should I do?  
I'll be seating here wating

Oh, baby when you comeback down  
Go home get the love you found in me  
I know that your gonna take time  
Oh remember Im by yourside  
Dont worry Im down for you  
No matter what you're going through  
I'll be there, I'll be there  
Baby, Baby, Baby, Baby, Baby,

Killing time, waiting on you  
What should I do?  
I'll be seating here wating  
Killing time, waiting on you  
What should I do?  
I'll be seating here wating
