

# Where'd You Go

Destiny's Child

Oh baby where'd you go  
I need you back with me  
Oh baby where'd you go  
I need you back with me

Oh whoa whoa whoa whoa  
Where'd you go  
So baby please come back to me

It has been 5 days you haven't called me  
Do you still want me? Still need me?  
Am I on your mind? Are you thinking of me?  
Are you missin me like I miss you?  
Crying constantly running out of reasons  
Why I haven't heard from you I'm worried  
Got me doin crazy things I can't even sleep  
Gotta get you back to me

Where'd you go? I don't know  
I know that I need you in this heart of mine  
So baby please come back to me  
I know that I can't live my life without you  
Where'd you go? I don't know  
I know that I need you in this heart of mine  
So baby please come back to me  
I know I can't live my life without you

Thinking of everything that you told me  
Said you'd never leave me deceive me  
Got my mind thrown off did you just use me?  
Boy you confuse me don't lose me  
can't deal with all the pain and hell you put me through  
Cause im still missin you i wanna be with you  
Without you here im breakin down inside  
Oh baby tell me why, why did you hurt me

Where'd you go? I don't know  
I know that I need you in this heart of mine  
So baby please come back to me  
I know that I can't live my life without you  
Where'd you go? I don't know  
I know that I need you in this heart of mine  
So baby please come back to me  
I know I can't live my life without you

Whoa whoa whoa whoa whoa whoa
