

# Bitch This Is It

Deuce

Bitch, this is it  
I'm killing it  
The fuse is lit  
So fucking sick  
I'm gonna flip  
Fuck all this shit  
Better admit  
It's over, bitch  
That's fucking it

This is lit, like a lunatic  
I'm about to blow, almost losing it  
Confused again, that's why I keep on shooting them  
In the back while they're turned around, I'mma bruise 'em  
I'm more suicidal than Whitney Houston  
I'll get through this  
Can you feel the heat? It's getting humid  
Not human, bitch, I'mma do this  
Don't you ever tell me that I'm bullshit  
Ever since I hit the mic I blew, bitch  
Who knew this? I'mma use it  
And fuck the new movement  
Time keeps on ticking, keeps slipping away  
I can't wait for it all to go away  
It keeps on going, so goddamn insane  
Can't wait for the day that it goes, shit

Bitch, this is it  
I'm killing it  
The fuse is lit  
So fucking sick  
I'm gonna flip  
Fuck all this shit  
Better admit  
It's over, bitch  
That's fucking it  
I'm killing it  
Fuck all this shit  
'Cause it's over, bitch  
So fucking sick

So sick, yeah, I'm sick, bitch, with the sickness  
Ain't gon' diss this, I'mma miss this  
I'mma spit shit  
Even if you think that I'm a chicken  
I'mma explode on all you bitches  
You think I let go but I ain't finished  
Even if I end up with a slit wrist  
I'mma mimic, direct 'em, split it  
Like I knew, that's what I'm wishing  
Wish that I was Fizz then that vicious  
Shit's ridiculous, shit, I'm inches  
Away from jumping off the highest building  
Bitches, time keeps on ticking, keeps slipping away  
I can't wait for it all to go away  
It keeps on going, so goddamn insane  
Yeah, can't wait for the day that it goes, shit

Bitch, this is it  
I'm killing it  
The fuse is lit  
So fucking sick  
I'm gonna flip  
Fuck all this shit  
Better admit  
It's over, bitch  
That's fucking it

Fucked in the head, can't feel my legs  
Toss me the meds, fuck, am I dead?  
Must be the end, where to begin? Tell me again  
Fuck all these demons, lost in these feelings  
Waiting to see him for all my sins

Bitch, this is it  
I'm killing it  
The fuse is lit  
So fucking sick  
I'm gonna flip  
Fuck all this shit  
Better admit  
It's over, bitch  
That's fucking it  
I'm killing it  
Fuck all this shit  
'Cause it's over, bitch  
So fucking sick
