

Gone Tomorrow Here Today

Deuce

Another legendary verse
Boom, ask questions later, shoot first
Let me go, I don't know what's worse
Leaving in a body bag or leaving in a hearse
But maybe that depends
So I'm not afraid to die, that's why I'm burning at both ends
Fuck fake ass friends
My story's just beginning, this is where yours ends!

It's my life to live, my choice to give
My blood, my sweat, my tears to it
I won't stop till I get what I want
And I want everything, that's a whole fucking lot!
It's the American Dream
And I'm chasing it!

Gone tomorrow, here today
I won't swallow the pain away
Don't pray for my sins, I still got hell to pay
It's too late
Gone tomorrow, here today
I'll never listen to what you say
Don't pray for my sins, I got no soul to take
Gone tomorrow, here today
Gone tomorrow, here today

Bitch, you'll never be rich, don't ever say it
Take your bullshit, find another place to play it
I'll be shining bright long after you're faded
You're PG, I'm motherfucking X-rated
And my wick is lit, I'm spitting sick as shit
I won't stop to regret the things I did
You can love it or hate it, you'll never recreate it
It's too bad, so sad, you almost made it

It's my life to live, my choice to give
My blood, my sweat, my tears to it
I won't stop till I get what I want
And I want everything, that's a whole fucking lot!
It's the American Dream
And I'm chasing it!

Gone tomorrow, here today
I won't swallow the pain away
Don't pray for my sins, I still got hell to pay
It's too late
Gone tomorrow, here today
I'll never listen to what you say
Don't pray for my sins, I got no soul to take
Gone tomorrow, here today

Gone tomorrow, here today
I won't swallow the pain away
Don't pray for my sins, I still got hell to pay
It's too late
Gone tomorrow, here today
I won't swallow the pain away

Don't pray for my sins, I still got hell to pay
It's too late
Gone tomorrow, here today
I'll never listen to what you say
Don't pray for my sins, I got no soul to take
Gone tomorrow, here today
Gone tomorrow, here today
Gone tomorrow, here today
Gone tomorrow, here today
