

# Now You See My Life

Deuce

There once was a kid named Deuce  
Who got sick and tired of being picked on  
So he got himself a nice 22  
Click boom, now he's on the fuckin news

Now who's the king of these rap acts? American Bad ass  
They say he's a class act, no wonder he's jabbed at  
That's why they put me up in lights and I rap back  
And have these critics wanna mimic my crack ass  
He ain't no clinic but he knows where your dad's at  
They ain't gonna finish til' they send you to Baghdad  
And minute by minute they goin' pull you right in it  
You go' end up at clinics because they put you on xanax  
but don't you worry I'm back ya Deuce is back with a black hat  
cape and a black cat baby I'm the new Batman  
You know only sarah can grab that  
I dont need no groupies trying to grab at my pants  
hoping that im gonna go back and tax that  
I aint endin' up in no place with no bad rash.  
How come I get laughed at by media trash bags,  
Just because I'm white and I sing like I'm half black

Now you see my life and it looks so pretty looks so pretty  
You want what you can't have and you know that's too damn bad  
Try and take my pride we both know that's silly know that's silly.  
You want what you can't have and you know that's too damn bad.

Soon as my voice's touch's or even get's close to a track

rappin to slay faggots and rappers who aint have what it take's  
so I straight jack 'em, Slap em' I aint laughin',  
this is where it gets tragic homie you aint matchin' me or my ryhmes

tellin everyone I'm wack, shit what about your habbit?  
Slangin' dope on the streets from your one bedroom apartment.  
"Hey look, it's me Cartman I'm retarded"  
Don't get me started how these old farts tryn' pick apart my religion,
