

Alone With You

Devics

Something has to change
Something has to give
I could re-arrange
My mind and what I did
If I were to choose
Either way I loose
I could be alone
Or be alone with you

Empty space
To fill an empty place
Everything I see
Is meaningless to me

If it's how you feel than it's real

Was I wrong to just go on and on
You never knew that I was gone
What does that say of me
You never thought that I
Only needed you
Just for a little while

Empty space
To fill an empty place
Everything I see
Is meaningless to me

You make me tired
Life wants to live
You just want to watch it
