

Searching for the Sun

Devil You Know

Looking from above, my words were not enough
I can see you struggle from within and I've never been so wrong

One more time, just one more time
Walk this road, walk this road with me
Mend the scars, I can mend the scars
And I hope, I hope that you can see

We're so much more than just tomorrow
Let go of sorrow, I won't burn the bridge for tomorrow

Searching for the sun, my heart was not enough
Can't you see I struggle from within

Forgiveness, forgiveness can't change
What I've done, what I have done
Mend the scars, but healing the old ways
It begins, it has only just begun

We're so much more than just tomorrow
Let go of sorrow, I won't burn the bridge for tomorrow
Let go of sorrow, we're so much more than tomorrow

And I've never been so wrong
And I've never been so wrong

Animosity will grow, we're so much more than tomorrow

Let go of sorrow, I won't burn the bridge for tomorrow
Let go of sorrow, we're so much more

So much more than tomorrow
