

Radial Highway

Devin Townsend

Driving all night my hands wet on the wheel
There's a voice in my head that drives my heel
My baby she calls and says she needs me here
And it's a half past four and I'm shifting gear
All night

Sweet little devil got a hold on me
All night long won't let me be
Oh her love is black and cruel
The ghosts in my head don't need you fool

Honor me baby
Honor me all night long
Honor me baby
Honor me with a song
Honor me baby
Honor me all night long
Honor me baby
Honor me with a song

'Cause I'm on, I'm on
I'm on the radial highway
I'm on, I'm on
I'm on the radial highway

Save me baby

Sweet little Satan sets me free
All over my body won't let me be
Oh his love is black and cruel
The ghosts in my head just played you fool

Honor me baby
Honor me all night long
Honor me baby
Honor me with a song
Honor me baby
Honor me all night long
Honor me baby
Honor me with a song

'Cause I'm on, I'm on
I'm on the radial highway
I'm on, I'm on
I'm on the radial highway
I'm on, I'm on
I'm on the radial highway
I'm on, I'm on
I'm on the radial highway
