

## Seams

Devin Townsend

I love you, confuse you  
-Maybe push you too far  
Don't worry, unleash me  
Thats song...that song  
Come near me, relieve me  
Protecting my heart  
How crazy? ...completely.  
But that's all, thats all.  
...that song  
Calm down, I'm falling apart at the seams  
(Hold your head up and go your own way...)  
Calm down, I'm falling apart at the seams
