

## Days & Nights

Devlin

I've been up for nights and days  
And my eyes remain wide awake  
Because more than my life's at steak  
So I ain't got time for blinkin  
All the time I'm thinkin  
If this ain't hell it's one firey place  
Metallic projectiles fly in ya face  
And leave you like human garbage lyin in drains  
I gotta keep my eyeballs open  
The only thing that'll minus the pain like ibuprofen is  
9milli and k on the case  
I don't feeel incontrol like pilots in planes  
I'm trapped in this winding maze  
I'm an insomniac I'm insane

I've been up for days and nights throguh this crazy life but  
I'll sleep when I'm dead  
Until they pay me right  
My eyes are open wide but  
I'll sleep when I'm dead

When everything on my to do list is ticked off,  
Then maybe I can drift off,  
Until then I'm wide awake, lyin in a daze,  
My eyeballs gaze.  
Hypnotised by the sound of my wrist watch,  
Clickin tick tock.  
I'm incharge of the Underground just like Brick Top  
So I can't sleep I'd be wrong if I did stop  
If I'm focused on writing a verse  
You couldn't put me to sleep with a thousand and nine bottles of night nurse  
It's likely I'll put ya lights out first  
So I'll sleep when I'm restin in peace  
Until then I've gotta bless these beats  
Till I conquer the streets  
If I'm conscious I can't get lost in a dream

I've been up for days and nights throguh this crazy life but  
I'll sleep when I'm dead  
Until they pay me right  
My eyes are open wide but  
I'll sleep when I'm dead

If you're drowsy remain in a slumber  
My metaphors flow over ya head like a buttonless jumper  
I can't sleep till I'm in the sky like lightning and thunder  
Sometimes at night I wonder  
Is pursuein this dream a blunder  
Or the best thing that I ever did  
I can't sleep or slip till I'm 6 feet under  
Hence the song I'll sleep when I'm dead  
You might only need money to survive  
But my life relies on a needle instead  
I wanna eat steak meals everyday  
I'm sick and tired of livin on a diet of beans and bread  
So believe what I said  
I'll sleep when I'm where

I'll sleep when I'm what  
I'll sleep when I'm dead

I've been up for days and nights throguh this crazy life but  
I'll sleep when I'm dead  
Until they pay me right  
My eyes are open wide but  
I'll sleep when I'm dead
