

Blow Up

Devo

When I see you
I want to holler
You make me steamy
Under the collar
You - you know you're my
Sweet hot Chihuahua
If I can't have you
I'm gonna get blowed up
Said blow up
Hot Chihuahua
Why don't you treat me to
Your special flavors
I can reciprocate with
Some special favors
Your such a hazard but
You are my pleasure
Don't get me boiled up or
I'm gonna blow up
