

Bottled Up

Devo

Doctor say you ain't got long to live
Nurse say you ain't got much to give

Don't listen to your doctor
Don't play up to the nurse
Wave goodbye to your doctor

Just because you're bottled up
Just because you're bottled up
Got to get un-bottled up

Doctor say you ain't got long to live
Nurse say you ain't got much to give

Don't listen to your doctor
Don't play up to the nurse
Wave goodbye to your doctor

Just because you're bottled up
Just because you're bottled up
Got to get un-bottled up

Doctor say you ain't got long to live
Nurse say you ain't got much to give

Don't listen to your doctor
Don't play up to the nurse
Wave goodbye to your doctor

Just because you're bottled up
Just because you're bottled up
Got to get un-bottled up
