

Goo Goo Itch

Devo

Itchy, itchy goo
Got me thinking of you
Itchy goo, itchy goo
Oh, baby, i love you
Itchy goo, itchy goo, itchy goo goo goo
It's all i want to do, whammo
Itchy, itchy goo
There's a pile next to you
Itchy goo, itchy goo
And it's turnin blue
Itchy goo, itchy goo, itchy goo goo goo
It's all i want to do, whammo
You got me running in circles
Like a pee-pee baby
I'm so happy i just want to die
Cause this baby love
It comes from up above
Move on over
I want to get closer
Move on over
want to twaddle with you
Move on over
Satisfy my urges
Please, please help
I got the goo, goo itch
You got me running in circles
Like a big-big baby
