

# Monsterman

Devo

Say goodbye to everything you know  
Say hello to what a man can know  
(Monsterman, monsterman)

This, his one and only dream  
It's all obscene to monsterman  
(Man, man, man, man, man, man, man, man)  
(Huh, man, huh, huh, huh, huh)

(Huh)  
The man's a monster  
(Huh)  
A beast on the run  
(Huh)  
He's a virus you can't stop with a gun  
(Huh)

Lewd implant from a mind insane  
Now springs from the House of Pain

There is no zombie in the closet  
There is no thing underneath the bed  
There's no alien abduction  
The monster's in your head

Say what you want, say what you will  
Said and done, the threat is still  
(Monsterman, monsterman)

They say, beauty's in the eye  
Of the beholder so don't try  
To understand him

Everyday is Halloween  
It's all obscene to monsterman  
(Man, man, man, man, man, man, man, man)  
(Huh, huh, huh, huh)
