

# Shimmy Shake

Devo

Nothin's gonna' stop me from gettin' in your pants girl  
Yeah?  
Oh yeah

Nothin's gonna' stop me from makin' romance girl  
Yeah?  
Oh yeah

So don'cha' shimmy shake it like a little squirrel?  
(Shimmy shake it like a little squirrel)

Now don'cha' shimmy shake it like a little school girl?  
(Shimmy shake it like a little school girl)

Nothin's gonna stop me from makin' love to you girl  
Yeah?  
Oh yeah

Now nothin's gonna stop me from doin' what I want to  
Yeah?  
Oh yeah

Now don'cha' shimmy shake like a little squirrel?  
(Shimmy shake it like a little squirrel)

Now don'cha shimmy shake it like a little school girl?  
(Shimmy shake it-)

You've got somethin'  
That I want  
I'm gonna help myself to it

Dont you start runnin' when you see me comin'  
(Come on girl I wanna move n' do it close)

I said a'  
Dont you start runnin' when you see me comin  
(Come on babe I wanna shake-n-bake ya' whole)

Now don'cha shimmy shake it like a little school girl?  
(Shimmy shake it like a little school girl)

Yeah! shake-n-bake now like a little squirrel  
(Shake n bake it-)

You got somethin'  
That I want  
I'm gonna help myself to it
