

Shout

Devo

Shout shout

I'm shoutin' about the world outside

I'm shoutin' because you just can't hide

I'm shoutin' from the plain honest truth

I'm shoutin' there's so much we could do

Shout i'm shoutin' shoutin' shoutin'

I'm shoutin' because it's hard to believe

I'm shoutin' it's so easy to see

I'm shoutin' we're waitin' for a reply

I'm shoutin' for the very last time

Shout well baby this one's for you

Shout for everything that you do

Shout until the battle is won

Shout we'll live to fight on and on

And when you add it all together

And when you roll it in a ball

And when you watch another pyramid

As it's about to fall

Remember you were there

Remember if you care

All those who held their ground

When it all came down

Said shout shout

Shout it out
