

# Somewhere With DEVO

Devo

Shout shout  
I'm shoutin' about the world outside  
I'm shoutin' because you just can't hide  
I'm shoutin' from the plain honest truth  
I'm shoutin' there's so much we could do  
Shout I'm shoutin'  
And when you put it all together  
And when you roll it in a ball  
And when you watch another pyramid  
As it's about to fall  
Remember you were there  
Remember if you care  
All those who held their ground  
When it all came down  
Said shout shout  
Shout well baby this one's for you  
Shout for everything that you do  
Shout until the battle is won  
Shout we'll live to fight on and on  
Are you ready?  
Are you ready for inspection?  
He's ready to die!  
There's a place for us  
Somewhere a place for us  
Peace and quiet and open air  
Wait for us somewhere  
There's a time for us  
Somewhere a time for us  
Time together and time to spend  
Time to look time to care  
Somewhere someday  
We'll find a new way of living  
We'll find a way of forgiving  
Somewhere someday  
There's a place for us  
A time and place for us  
Holds my hand and we're half-way there  
Hold my hand and I'll take you there  
Somehow someday somewhere  
(the femmes devo)  
I'm a disco dancer  
But I've got no place to go  
(I'm a disco boy I'm a disco boy)  
I'm a disco dancer baby  
But my feet won't touch the floor  
(I'm a disco boy I'm a disco boy)  
Oh no  
I've been sleeping twenty years or more  
I remember long time ago  
(I'm a disco boy I'm a disco boy)  
Nya nya nya nya  
Now I'm back to change your mind  
Now I'm moving right in time  
In a world that's turned unkind  
i see waht's going on behind my back  
I'm a disco dancer  
And I keep dancin' on and on

(I'm a disco boy I'm a disco boy)  
Oh no  
I'm a disco dancer baby  
but I think that something's wrong
