Take a step outside yourself then you turn around take a look at who you are it's pretty scary

You're so silly well it's revolting you're not much if you're anything

Take a step outside the city and you turn around take a look at what you are well it's revolting

You're really nowhere you're so wasteful so foolish no big deal

(booji boy) who said don't look back don't you believe 'em you go for that corner seat in the restaurant 'cause they're gonna try and get behind ya don't you let 'em do it you know what i'm talkin' about? you hear me talking?

It's pretty scary
it's so revolting

Take a step outside the country then you turn around take a look at where you are well it's amazing

Take a good look you're no big deal you're so petty it's a laugh

Take a step outside the planet you turn around and round now take a look at where you are it's pretty scary
