

## Give Up

Dezperadoz

Many times she made me happy  
So many times she made me smile  
All these tears will turn to madness  
My angel is six feet in the ground  
There were many men before me  
Sold her body for a dime  
Painful death was her last fee  
And my angel is six feet under the ground

My reason is gone

Can't give it up  
'Cause it hurts me too much  
Can't give it up  
Like that devil's hand touch  
I can't let go  
There is only one way  
To find my peace  
Can't give you up

All the time I think about it  
This bloody picture in my brain  
I found her bleedin' in the mornin'  
The last goodbye so full of pain

I'm knocking on the devil's back door  
And hope that God will look away  
My friend, the murder he will die for  
And Lord didn't help me anyway

An eye for an eye  
And a tooth for a tooth  
A life for a life

I see her dyin' right before me  
When I close my eyes

I'm waiting in him  
To leave the right way  
Each and every time

Lord, please, please, help me  
So, please, please, help me  
To find my peace

Don't give me up
