

# Blind!!

DGM

Dark is spinning light goes  
Down  
Everything goes to the end  
But what we know is not will  
Find  
Blackened all around me makes  
Me blind  
Makes me blind

Keep all your emotions stand  
Up for your rights  
Try to free your mind  
You can't be wrong,  
You can't be right  
Let faith surrounds you  
Anyway

Never let it down love  
Is all you need  
Love is all we need

I'm still waitin for my last  
Surrender  
I'm still lookin for your eyes,  
Again

Hear the sound  
Why can't you feel it all  
Around  
Voices from your heart

Screamin' louder inside my mind
