Dia Frampton

I took my love, I took it down Climbed a mountain and I turned around And I saw my reflection in the snow covered hills Till the landslide brought me down

Oh, mirror in the sky, what is love?
Can the child within my heart rise above?
Can I sail through the changing ocean tides?
Can I handle the seasons of my life?
Mmm, mmm, mmm

Well, I've been afraid of changing
'Cause I've built my life around you
But time makes you bolder
Even children get older and I'm getting older too

Well, I've been afraid of changing
'Cause I've built my life around you
But time makes you bolder
Even children get older and I'm getting older too
Oh, I'm getting older too

Awh, take my love, take it down Awh, climb a mountain and turn around And if you see my reflection in the snow covered hills Well, the landslide bring it down

And if you see my reflection in the snow covered hills Well, the landslide bring it down Oh, the landslide bring it down
