## **Light of The End**

I came from nothing into existence, to live from your shame

And right by your side is where I'll stand Your journey begins and ends with me

I am the way the truth and the life and my salvation is for sale

So if you're looking for a shelter just stick around I'll seal your fate

In this land of temptation... well, I know how sorrow creeps So pray with me, children of the night I'm alway on your side Until the end of time

Follow me into the light of the end Oh, I say... Follow me A heart that bleeds will never die Amen!
