

Shoe Game

Diamond

Crashed in New York, red bottles up
Galaxy Notes, they be fresh out the box
Shoe game crazy, shoe game crazy
Shoe game crazy, my shoe game crazy

Everywhere I go I'm looking like a shoe model
Everywhere I go I'm looking like a shoe model
Everywhere I go I'm looking like a shoe model
Everywhere I go my shoe game crazy

My shoe game crazy, ATL raised me
I've got a shoe fetish, man somebody ought to save me
When I'm in New York, I'm in Dior
Red bottles in Japan, Jimmy Chu's when I'm in France

Everywhere I go I'm looking like a shoe model
Everywhere I go we pourin' out gold bottles
Everywhere I go the chicks hate, the boys follow
That's the motto, I'm stuntin' like there's no tomorrow

Here's an idea, a yellow bow hottie
Valentine on my body, shoes by Versace
I'm feeling naughty, get a drink on me papi
My shoe game crazy, better ask somebody doubt me

Crashed in New York, red bottles up
Galaxy Notes, they be fresh out the box
Shoe game crazy, shoe game crazy
Shoe game crazy, my shoe game crazy

Everywhere I go I'm looking like a shoe model
Everywhere I go I'm looking like a shoe model
Everywhere I go I'm looking like a shoe model
Everywhere I go my shoe game crazy

Emilio Pucci, shoes say Gucci
Got a slim race with a big ole bootie
At times I hear the scene, you know I make a movie
Catch me eatin' popcorn while I'm chillin' in Jacuzzi
He wanna do me, attitude stootie
Louie handbag, Louie tags on the coochie
Giuseppe's got me Guggi, feeling brand new
Just got the new Chanelle slippers - size 7, sky blue

Everywhere I go I'm looking like a shoe model
Everywhere I go we pourin' out gold bottles
Everywhere I go the chicks hate, the boys follow
That's the motto, I'm stuntin' like there's no tomorrow

Crashed in New York, red bottles up
Galaxy Notes, they be fresh out the box
Shoe game crazy, shoe game crazy
Shoe game crazy, my shoe game crazy

Everywhere I go I'm looking like a shoe model
Everywhere I go I'm looking like a shoe model
Everywhere I go I'm looking like a shoe model

Everywhere I go my shoe game crazy

I feel so sexy
Shoe game is crazy
You can't fuck with me
For my Giuseppe is an IT

Wanna walk in my shoes?
And may God the boy's true
A bad girl never lose
You can't walk in my shoes

I feel so sexy
Shoe game is crazy
You can't fuck with me
For my Giuseppe is an IT

Wanna walk in my shoes?

Crashed in New York, red bottles up
Galaxy Notes, they be fresh out the box
Shoe game crazy, shoe game crazy (You can't walk in my shoes)
Shoe game crazy, my shoe game crazy
