

Hotrod Heartthrob

Diana DeGarmo

Sitting in traffic in a post work haze
I can barely get over 50 miles an hour these days
Takes me forever
The car to my left starts to rumble and shake
Driver gives me a wink but honey, I ain't the one to race
But my pony will smoke ya

Did this red light romance just get a green flag

He's a hot rod heartthrob
Ooh, makes my engine purr
He's a hot rod heartthrob
We could make more than rubber burn
He's a little bit of Elvis
A little bit of Cash
I ain't afraid to let him
Push on the gas
He's a hot rod heartthrob
Ready set... oh, I'm in love

Twisting and turning, enjoying the chase
Finally got off that highway. Guess that boy can hang
Maybe he is more than a pretty paint job
His rides a little bit of Chevy, little bit of Ford
I even see some Edsel, Cadillac and Olds
But what's he hiding under that big hood

Ooh, this red light romance makes me wanna drain my tank

He's a hot rod heartthrob
Ooh, makes my engine purr
He's a hot rod heartthrob
We could make more than rubber burn
He's a little bit of Sammie
A little bit of Frank
Just gimme the go and I'm ready to play
He's a hot rod heartthrob
Ready set...

Vroom vroom
Put your 4 on the floor
Vroom vroom
Gimme some more
Vroom vroom
Show me what you got
Vroom vroom
See if I like you or not
Vroom vroom
I love the race
Vroom vroom
Gimme a taste
Vroom vroom
Number one or bust
Vroom vroom
Now eat my dust

He's a hot rod heartthrob

Ooh, make my engine purr
He's a hot rod heartthrob
We could make more than rubber burn
He's a little bit of James Dean
A little bit McQueen
Let's race for that pink slips
You know what I mean
He's hot rod heartthrob
Ready set... I'm in love
Is this love
Yes I'm in love
Vroom vroom
