

I'm a Little Mixed Up

Diana Krall

You said you love me, never said goodbye
But I know now that just was a lie
I'm a little mixed up, mixed up about you
I'm just a little mixed up and I don't know what to do

Yeah, you said you love me, gave me stars above
I've thought sure baby I had all your love
I'm a little mixed up, mixed up about you
I'm just a little mixed up and I don't know what to do

You used to walk and talk, darling, jump and sing
But I know now you don't mean a thing
I'm a little mixed up, mixed up about you
I'm just a little mixed up and I don't know what to do

I'm just a mixed up, mixed up, mixed up fool
Mixed up all 'cause of you
I'm a little mixed up, mixed up about you
I'm just a little mixed up and I don't know what to do

Now you listen here, baby what I have to say
If you don't want me I'll be on my way
I'm a little mixed up, mixed up about you
I'm just a little mixed up and I don't know what to do

And now you listen here, baby, won't you come on home
I'm sitting here crying and I'm all alone
I'm a little mixed up, mixed up about you
I'm just a little mixed up and I don't know what to do
