

# I've Got You Under My Skin

Diana Krall

I've got you under my skin  
I have got you deep in the heart of me  
So deep in my heart, you're really a part of me  
And I've got you under my skin

I have tried so, not to give in  
I've said to myself this affair it never would go so well  
But why should I try to resist when I know so well  
That I've got you under my skin

I would sacrifice anything come would might  
For the sake of having you near  
In spite of a warning voice, that comes in the night and repeat  
s in my ear  
Don't you know you fool you never can win  
Use your mentality, wake up to reality  
For each time I do, just the thought of you makes me stop before I begin  
Because I've got you under my skin
