

You Know – I Know Ev'rything's Made for Love

Diana Krall

Though you're past your baby days
Still you've got those baby ways
You're as bashful everytime that I'm with you

Though you're fond of me you say
Still you peep me far away
Oh why can't we love
Just like other sweethearts do

What do we got lips for
What do we got arms for
Why do we have stars above
Oh you know I know everything's made for love

What do we got eyes for what
What we sigh sigh for
Why do we say lovey dove
Oh you know I know everything's made for love

What is the dark for
What is the park for
Why are shady lanes
Why is a cozy corner so rosey
Everytime it rains

What have I got you for
What do you got me for
What do we both thinking off
Oh you know I know everything's made for love

And why do we have preachers
Why do we have teachers
Why do we have weddings too
Oh you know I know everything's made for love

Now where's a girl banned for
And who's the best man for
And why do we all say I do
When you know I know everything's made for love

What do we sing for, what do we sing for
And when cupid calls
Why do we go and spend all of our dough
Just to see Niagara Falls

Why we keep crying
Why we keep sighing
Why do we say dovey dove
Oh you know I know everything's made for love

What is the dark for
What is the park for
Why are shady lanes
Why is a cozy corner so rosey
Everytime the rain starts falling

What have I got you for

What have you got me for
What do we both thinking off
Oh you know I know everything's made for love
Oh you know I know everything's made for love
Oh you know I know everything's made for love
