You're Getting to Be a Habit With Me

Diana Krall

Every kiss, every hug seems to Act just like a drug You're getting to be a habit with me

Let me stay in your arms, I'm addicted to your charms You're getting to be a habit with me

I used to think your love Was something That I could take or leave alone But now I just can't do without Me supply, I need you for my own

No I can't break away I must have you every day As regularly as coffee or tea You've got me in your clutches And I can't break free You're getting to be a habit With me-can't break it You're getting to be a habit with me
