

How Long

Diane Birch

You'll never know what God is for
Until you fight a holy war
You hold the fire 'cos you can
And call yourself a modern man

But tell me
How long must I wait for your love?
How long must I wait for your love?

Protection's not for everyone
Some fly their hearts close to the sun

I'm a fool I'm a fool for cryin'
But you're just cruel you're just cruel you're just cruel to leave me dyin'

Where'd you hide emotion?
You're the lucky one
Patience I don't know
Sooner or later well you're gonna find it
Ooh your love your love your love will open when you say it

So tell me
How long must I wait for your love?
Tell me tell me now
How long must I wait for your love?

I don't wanna wait
I don't wanna wait no more no more
I don't wanna wait for it no more
I don't wanna stand out on the surface of your heart

So tell me
How long must I wait for your love?
How long must I wait for your love?
Tell me tell me child
How long must I wait for your love?
Tell me
How long must I wait for your love?

I don't wanna wait for it no more
I don't wanna stand out on the surface of your heart
