

# Tell Me Tomorrow

Diane Birch

That look  
Read about it in an old book  
Never really thought that it would  
Mean a thing to me

This heart  
I can only take it so far  
I can only drive this old car  
As far as I can see

Didn't I love you good enough  
Oh didn't I  
Didn't I make all the walls come down  
Oh didn't I

As long as I live  
I'll be wearing this one  
Medal on my vest just  
For loving someone  
I already guessed  
What you're gonna tell me

So gimme your best  
'cos I'm wearing this one  
Bullet in my chest  
Just for loving someone  
I already guessed what  
You're gonna tell me  
But could you tell me tomorrow  
Tell me tomorrow

Red line  
Guess we really crossed it this time  
I don't even know what's still mine  
I don't even want it anyways

Didn't I love you good enough  
Oh didn't I  
I guess I couldn't make  
All the walls come down  
Why couldn't I

As long as I live  
I'll be wearing this one  
Medal on my vest just  
For loving someone  
I already guessed  
What you're gonna tell me

So gimme your best  
'cos I'm wearing this one  
Bullet in my chest  
Just for loving someone  
I already guessed what  
You're gonna tell me  
But could you tell me tomorrow  
Tell me tomorrow
