

Made in Shame

Diary of Dreams

Made in shame for you (x 4)

I hold my breath
I will not breathe again
I have to wait
Until it's over (x3)

I close my eyes
And keep them shut
I fall asleep
I will not wake up (x 3)

Cry (x 4)

Made in shame for you (x 4)

My lips are sealed
My voice will not be heard
I will not speak
To keep my secret (x3)

Cry (x 4)

Made in shame for you (x 4)
