

# Shades

Diddy

Uh, before you get here,  
Put yo panties in yo pocketbook  
That's what I told her, over the Motorola  
Hennessy and Cola  
I hold her, at attention with my manners  
And even though I don't roll a camera  
She still performs  
Like the superstar, she truly are  
So, also I think I love her already  
Damn, I think I already

She must be the one  
I look in her eyes and see the sun  
Even on rainy days, ain't it crazy man,  
yeah, that's what I said  
She do doughnuts in my head  
Over and over, and over  
Til the cops pull her over  
And then she say some real slick shit like  
"I'm on my way by Weezy baby"  
And of course they let her go

(let me take off my shades)  
I know I got a lot of baggage  
Its for the ladies and Mercedes  
Usually I know that it's heavy  
But I paid someone to bag it, for me, yeah  
I know I got a lot of baggage  
Full of Chanel's and Tiffany's and broken hearts girl  
You need me baby its hard to break a habit  
For me yeah

And girl if you want  
I pour a gallon of gasoline on my heart  
Just to light your cigarette  
Girl if you want  
(I'll do anything for you)  
I'll do anything for you  
(I'll even take off my shades)  
I'll even take off my shades  
And stare right at the sun from the stage  
(I'll even try different things)  
I'll even try different things  
I'll make love to you on marmalade  
(never made love on marmalade)  
I'll even change my name, name  
What you say  
(I'll be what ever you say)  
I'll be what ever you say  
I'll even take off my shades  
I'll make love to you on marmalade  
(Are you sure that's what you want to do)  
If that's what you want to do

What you gonna do  
What you gonna do  
When I'm perfect for you

Girl watch how its gon' drive you crazy  
And love's gon' turn you up baby  
Girl watch how its gon' drive you crazy

What you gonna do  
What you gonna do  
When I'm perfect for you  
Girl watch how its gon' drive you crazy  
And love's gon' turn you up baby  
Girl watch how its gon' drive you crazy

Got a lot of baggage  
its full of shades different shades  
And I'm sharp as a razor  
that's why I have to brand it  
You talking bout me (you talking bout me)  
Listen to me  
I know I've got a lot of baggage  
Its full of promises that why I keep a lock on it  
I promise girl I'm trying to make it happen, for me  
And you babe  
Now girl if you wanna pour a gallon of gasoline on my heart  
And light it if you get lonely, if you call me  
Girl if you only, amazing you are  
just tell me you want me

What you gonna do  
What you gonna do  
When I'm perfect for you  
Girl watch how its gon' drive you crazy  
And love's gon' turn you up baby  
Girl watch how its gon' drive you crazy

What you gonna do  
What you gonna do  
When I'm perfect for you  
Girl watch how its gon' drive you crazy  
And love's gon' turn you up baby  
Girl watch how its gon' drive you crazy

Black gray white  
If I pull down these shades would I sound too bright  
Get it, sound too right  
Maybe I'm just feeling myself because  
'Cause flashing lights come from everywhere  
And you can feel that somethings blowing in the air tonight  
Now if you need that fire I'll be that propane  
If you need it wet I'll make it pour rain  
But maybe I wont  
Maybe you just have to take it  
Go ahead pretend I'm a drug  
Now let me see you shake it  
I can read your mind, read your mind, Professor X  
We can press rewind, press rewind, V.H.S.  
Speaking of the past, its so futuristic behind ya  
Let me fill up your plate and dish it out, dish it out, China  
I'mma bend yo body, bend yo body, Magneto  
Let me have my way, I'mma have my way, Carlito  
Now we can put in work, let me get my busy on for you  
You ain't never heard you talk like this  
It's got my Drizzy on for you

What you gonna do

What you gonna do  
When I'm perfect for you  
Girl watch how its gon' drive you crazy  
And love's gon' turn you up baby  
Girl watch how its gon' drive you crazy

What you gonna do  
What you gonna do  
When I'm perfect for you  
Girl watch how its gon' drive you crazy  
And love's gon' turn you up baby  
Girl watch how its gon' drive you crazy
